EVENT DETAILS

What to expect

The Prospera Golf Classic is an exclusive event that brings together prominent business leaders and philanthropists. Over the past 24 years, the Golf Classic has been dedicated to supporting children in need and has raised over \$695,000.

This year we have partnered with BC Children's Hospital Foundation to continue making meaningful improvements in children's health and care services.

About BC Children's Hospital Foundation

BC Children's Hospital is the only hospital in the province devoted exclusively to the care of children. As one of the few pediatric medical centres in North America with a world-class acute care centre, research institute, mental health facility and soon, rehabilitation centre, all on a single campus, BC Children's provides expert care for the sickest and most seriously injured kids. At BC Children's Hospital Foundation, we have a vision that every child is healthy and able to fulfill their hopes and dreams. The generosity of donors fuels our ability to conquer childhood diseases, prevent illness and injury, and prioritize the unique needs of kids in every aspect of their care. Please follow us at [@bcchf](#) or visit [bcchf.ca](#) for more information.
