

We are on the move!

On April 30, 2024, our Surrey Centre branch will be relocating and merging with our existing Central City branch, which is conveniently located nearby at **2672-10153 King George Boulevard, in the Central City Shopping Centre.**

There's ample free parking available in the mall area for up to three hours. You'll find covered parking in the west parkade and outdoor parking near Walmart, both areas are just a short walk from the branch and accessible for those using a walker, wheelchair or stroller. Please refer to the map below for more details.
